

Capability Summary – Management Consultancy and Advisory Hyrd

Defining the architecture of the country, from supporting advisory projects, through to government strategy across UAE, KSA and GCC. Our Management Consultancy and Advisory practice hinges on our ability to identify excellent question askers, key recommendation makers, futurists, technology adaptors and those with a passion for driving growth.

We understand the need to have SME's who can hit the ground running and add value to clients immediately. Here at Hyrd, we have partners with consulting firms, the global top 4, for over 8 years, successfully supporting geographies across UAE, KSA, Bahrain, Oman, Qatar, Australia, USA, Singapore and Hong Kong.
